CABLEGRAM FROM THE MINISTER OF FOREIGN  
AFFAIRS OF BULGARIA TO THE SECRETARY-GENERAL  
OF THE UNITED NATIONS DATED 19 JUNE 1947

Sofia, Bulgaria  
19 June 1947

To the Security Council.

According to trustworthy information from Bulgarians who are Greek subjects, approximately 70 Bulgarian families of Yuruche Village, in the district of Ilmotika have received an order of expatriation to Bulgaria within three days. This confirms that the Greek authorities are undertaking the long-contemplated expulsion of the Bulgarian population from western Thrace.

The Bulgarian Government energetically protests against this action of the Greek authorities and requests the Security Council to make the necessary representations to the Greek Government in order to stop the expulsion of the Bulgarian population of Thrace, which constitutes a violation of International Law and of the United Nations Charter.

Elmon Gueorguieff  
Vice President of the Council  
Minister of Foreign Affairs.
